

Colorful Fall Tree

Makes: 1 tree **Takes:** 3 minutes

Ingredients:

Multicolored cherry tomatoes

Whole wheat toast

1. Toast and butter the bread
2. ***Cut the cherry tomatoes into quarters so that they are not choking hazards for young children.***
3. If you have older children, the tree is easier to eat and more attractive if the tomatoes are cut into halves.
4. Cut the bread into strips. Arrange the strips like a tree trunk and branch. Cut smaller strips for smaller branches. Arrange the tomatoes on the tree branches.

Whole cherry tomatoes are a choking hazard, please use caution with children until 2 years of age.
